#### **Senior Citizen Commissioner Vince Tarpey**

\*The committee met 11/12/2013. Senior Nutrition RFP bid closure is 1/30/2104. Over 470 completed surveys received regarding the current lunch provider (Bateman). One outcome was the donation box for the daily lunches changed to a disguised black box so the amount of the donation cannot be observed. Donations are encouraged but not key to the retention of the nutrition program.

\*Seniors' Agenda Network Summit scheduled 1/29/2014 from 8:30-11:30, discussions on housing and transportation needs. Contact person is Diana Miller 408-755-7695. The City now has 12 people trained as senior resource advocates.

\*Requested the PRNS department better publicize the "scholarship" program which allows seniors to take certain classes or programs at reduced cost.

\*Next quarterly meeting will be 3/13/2014 at City Hall.

#### **Councilmember Johnny Khamis**

\* Almaden Beautification Project-Working with the County and non-profit organization, Our City Forest, to plant 170 trees and fix the sprinkler system to provide adequate water for the trees. The estimated cost from the City for this project was in the neighborhood of \$550K vs. the cost from Our City Trees is \$50K. Our City Trees has a 501 C3.

\*Police Union accepted the contract, 10% raise over 2 ½ years, it's a necessary step to keep our police department competitive with others in the Bay Area. Rules Committee discussing today to add to the Council Agenda that police recruits pay for their training if they don't stay with San Jose Police for a predefined time.

\*PACE- A program where homeowners may improve the efficiency of their homes with a loan attached to their property tax bill. Program will be run by the interest collected from the loans.

\*Concern use of illegal fireworks in neighborhoods- Looking for ways to prevent the illegal use while still providing the community with fun alternatives. Quick survey on councilmember's Facebook page asking for thoughts on possibility of fireworks shows presented by permitted professionals at Almaden Lake Park.

\* Alternatives to direct water at Almaden Lake- Another plan submitted for the Almaden Lake to the water district. The latest proposal channels the water better and preserves the lake integrity.
